

## TECHNICAL DATA SHEET

Sx 200

HD video capture

PRODUCT CODE : SX200

DIMENSIONS PACKAGING: 250x170x65mm.

EAN PRODUCT : 8435099518310

PRODUCT WEIGHT: 132 g.

EAN BOX : 18435099518317

PACKAGING WEIGHT : 465g.

PACKAGING : BOX + PVC

UNITS PER BOX : 10

### DESCRIPTION :

The portable solution for recording and sharing. The new HD portable gamer grabber SX200 is the ultimate solution to record your best games in HD quality up to 1080p. Designed specifically for gamers and youtubers, its pocket size means you can take it anywhere. With USB and SD inputs you can connect a flash drive or SD card to capture your games without a PC and can later edit them and upload them to Internet easily. The SX200 is compatible with different resolutions

and includes HDMI input and component video for different video consoles. Its microphone connection allows the possibility to discuss your games in real time and simultaneously record them. It includes free software video editing with which you can upload videos to YouTube directly.

Discover the best tool to record your games !!!
